Hey! This year has really been great. Prepers, Utah, SLO, and all those parties at Rodney's, and all those other things we participated in. Our junior year was outrageous and I hope next year will be as great. Will have to go to the beach this summer, just like last summer. See you around your friend,

OF A DECADE

To be read with a Rod Sterling imitation: Case in point, 420 students, a class destined to become great. But first let us turn back the tables of time to the origins of this class. The date, Sept. 14, 1976. The first day of a freshmen year, in the highschool zone.

OUR FIRST PEP ASSEMBLY spelled disaster as we feebly attempted to perform the 8-clap. However, because of the distraction presented by the bouncing Pep Squad, the male population began to convulse and salivate rendering them helpless. The result was a very unorganized 27-clap . . . As weeks went by we realized that we were the vermin of the school; it took but one Senior to clear the halls of shrieking freshmen more effectively than a can of Raid . . . Yes, it was a year of firsts, most noteworthy was our first homecoming, which meant our first float. The theme was Hurray for Hollywood and **Naturally** that led to Groucho, which led to the Baxter's house, which led to a float that looked like it had been hit by a Mac truck, which led to a cigar being placed in various disgusting regions of the late great comedian, which then led to 4 hooded freshmen pulling a float around the track while being pelted by assorted projectiles which then led to the mutilation of the float, which ultimately led to last place . . . Yes, it was a year for firsts and lasts our freshmen year . . .

CHANG! CHANG! CHANG! shouted the multitudes as our imperial leader came to the podium, "with me as dictator we can rule the school!" And so

began the reign of the class of '79. Except for one small problem . . . we had no money. We tried everything — bake sales, dog collars, rat traps, our girls went out onto the streets, we pushed drugs, we even got metal detectors and spent countless hours at the local beaches . . . But for some reason we never came out ahead. The highlight of the year came with class competition when we surprised everyone, including ourselves, by coming in 1st place (to the disgust of many an upperclassman). Yes, the quest for our destiny had begun. (By the way our float came in last place, again . . .)

WHAT CAN WE SAY, WE'RE HOT . . . we were also Juniors . . . as upperclassmen the tables were turning, rather than repeating history we came out at pep assemblies and shook the walls of the gym, defeating our senior opponents . . . Our flag girls were unbelievable, and so was our junior year. It all began with the winning of the float competition with Madatians isle. A first class and first place float . . . we feverishly worked day and night, bashing windshields and anything else that came within ten feet of our precious creation. We attacked boredom any and every way we could. Each Monday the student body and the janitors would return to find the halls filled with darts; yes, "Hoonting" had become a national pastime . . . ripping apart Farrels or a quick trip to Albino Hill seemed to ease the Junior blues . . . The ultimate victory came with Petticoat Pile Up. Our girls, being cheered on by

some of the sexiest hairy legged cheerleaders in the school, went on to conquer the Senior tanks with quickness and agility . . . Our spirit went berserk and so did we, right on into our Senior year . . .

A CARAVAN OF 8 CARS slowly crept down a dark street. Their headlights are quenched. As they approach their target their contents come to a hush. Suddenly the doors fly open. Up to 12 mauraders per car let loose a blood-curdling scream as they unleash a barrage of waterballoons upon the unsuspecting enemy. The lead squad, armed with a tree cutter, leap for their goal: a hose. With one quick slash they have been rendered helpless; their main weapon had been destroyed. And with a powerful cheer the commando force had stricken like lightning and were gone. Yes, our senior yr. had begun. Elroy the dragon was in contruction, raids were daily, and the year had just begun. Not only was our float the most incredible piece of float building in the history of LCHS, but our class unity was incomparable. Together in float everything we did the class of '79 pulled out ahead. We marched on the drama dept., successfully boycotted the Sr. play and presented "Cuckoo's Nest." As Tom grabbed some poozle, so did the rest of the class at the climax of all parties, the toga party. Clad in our pre-graduation gowns, we all knew what it was like to do the bluto . . . The Senior class of '79, having conquered the High School graduated with but one step left . . . the World.

DR. DAVID BROWN

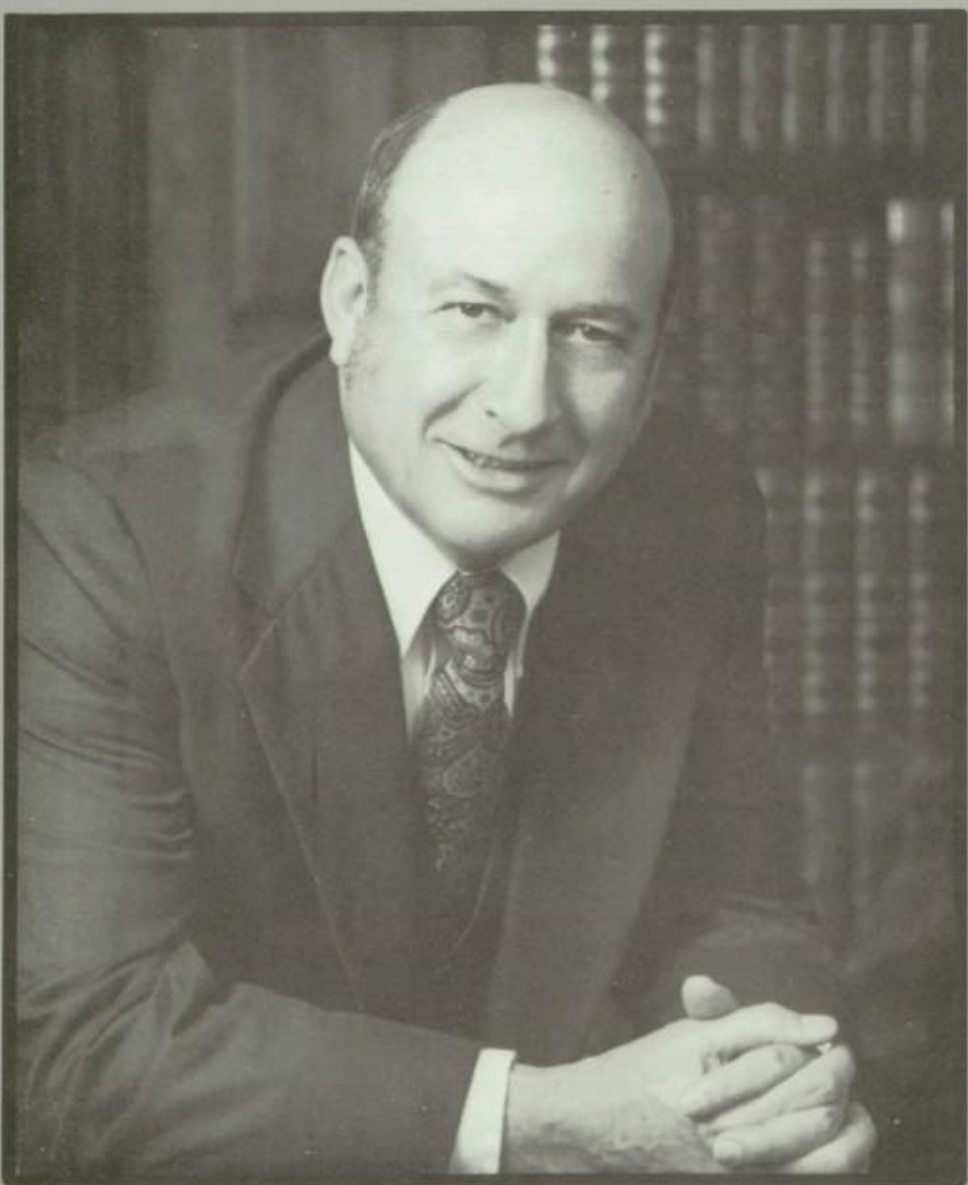

The school year '78-'79 brought with it a new face upon campus. Dr. Brown, our new principal, became an integral part of our senior year as well as an asset to the entire school and community. Building an excellent rapport with the students, he quickly became a friend rather than an enforcer. Through his ability to communicate on all levels, Dr. Brown was well liked and respected . . . 80'S LADIES...

Jr. Team

Ready . . . Break!

Petticoat Pileup proved to be a grueling experience for all who participated. With fists a-flying, the Sr. and Jr. girls stomped each other in a game to top all games. Under the competent coaching of the winning football team's coaches and hair legged rah-rahs, the teams strove for perfection while trying to outwit each other with "2 hole blasts" and "student body rights." Despite the immensity of their opponents, the senior studettes proved, with experience and greatness, that they were BY FAR superior.

. . . The 1978-79 Keywanettes kept busy helping the community and school. During the Christmas season they worked on the city's first Rose Parade float, they went caroling at Children's Hospital, and they gave a Christmas dinner and presents to a needy family. They found themselves involved in many other community projects throughout the entire year. For the school the Keywanettes sold Programs at a football game and tickets at the basketball games, they had the Valentine hearts sale, they sold Spartan keychains, and they helped usher at graduation. The Keywanettes have increased greatly in membership from the past years and have become involved more service projects than ever before . . . Advisor: Mrs. Lathrop.

A STAR IS BORN

The 78-79 Drama Club and Thespians (pictured here as puppets) have been enthusiastically busy this year. During the Renaissance Week of Homecoming, many members dressed up as "Fools and Clowns." Drama Club also planned and participated in several field trips. The Tony award winning "Annie" and the famous "King and I" were two of the theater smashes attended. Also, La Canada entered and competed in the Long Beach State Drama Festival and the Theater Workshop at California State University, Fullerton, all held in March of 1979.

Storybook Theater, sponsored by Drama Club had comic strip characters as its theme. Students played their versions of Crock, Super Chicken, Peanuts, Popeye, Dick Tracy and Mary Worth and were also joined by members of the LCHS Dance Production class in their endeavor. The players performed to overwhelmingly supportive friends and general public. Also, this Christmas Vacation, several Drama Club and Thespian members took part in the annual Thespian International Tour to New York City.

Last, but not least, through the ideas of Club President Tony Kienitz, the "Every Other Thursday Theater" came about. This program gave LCHS students the opportunity to audition and perform songs, dramatic/comedic scenes, jokes, dances, for his fellow students. Although sporadically performed, "Thursday Theater" did enjoy a good degree of success and was greeted enthusiastically by the students.

This year the Independent Living Club set out on its own for two months by renting and maintaining an apartment. The members raised the money themselves through orange sales and a dance sponsorship, and then followed through by taking over the subsequent responsibilities of apartment life such as cleaning, budgeting and bills. Under the direction of Mark Fetzer and Arnie Bloom, groups took turns inhabiting the apartment, learning to apply things learned in the classroom to the necessities of life out in the real world.

Reporting news in a fashion only to be phrased as very "La Canadian," the Iliad once again delved into the boisterous activities of the school and the interest-insights of the community. Not likely to be found in the bird cages and garbage cans of the town, the Iliad was led to their high acclaim by co-editors Matt Miller and Meghan Dooner. Also helping with their crazy antics that were at times questioned by our ruthless advisor were John Berquist and juniors Maggie Powers, Dave St. Amand and Chris Bird. As usual though, great distaste is felt by this organization towards that lousy paper for one simple reason: that dog gone wax is all over the place, everywhere!

FRIDAY NIGHT

In this, the 1978 football season, La Canada High School's varsity football team enjoyed its first winning season in 14 years. Quarterback Paul Gagliardi emerged as one of the southland's finest passers, living up to his pre-season All-American status. Other players such as Bob Bacalla, Bob Seastrom, John Schramm, and Paul Wyman made 1st Team Rio Hondo league while Tom Taylor, Marty Smith, Buddy Reas, Dave Nydam, Lee Barron, Jeff Stephens, and Lane Shepherd made 2nd team. Honorable Mention was earned by Ned Menninger, Tim Trahms, and Steve Gindorf. Throughout their season, the Spartans posted a 7-2 mark, a second place finish in league, and their trademark was hustle and crowd pleasing excitement. Although La Canada's first CIF play-off appearance in 15 years ended in a first round heartbreaker, the Spartans will not only be fortified with the likes of three returning all-leaguers but also loads of talent from a sophomore team that has never lost a game. All in all it was a very successful season for third year coach Marty McWhimney who will undoubtedly expect nothing more than a CIF championship in the coming year.

Ever-nervous Pat Logan still has time to smile.

As the dust cleared and the sun set on yet another Cross Country season, Coach Pat Logan and his "over the hill gang" could be sighted in their usual spot, among the top teams in C.I.F.

The pack was led by senior Peter "Swami" Magill along with his posse of rough-riders; Andy DiConti, Dave Francis, Scott Hackett, Tom English, Rodger Dahl, and Paul Sikkle. Heading off their opponents at the pass, the gang suffered only one league dual-meet set-back in an ambush at San Marino's home course. However, they regrouped and charged to a fourth place C.I.F. finish while under fire from the hottest teams in the 2A division.

ORCA NAEVE AND HIS AQUAMEN

Ranked number one for the better part of the season, Coach Larry Naeve saw his varsity water polo team travel to the C.I.F. playoffs for the sixth straight year. Led by three all C.I.F. first team members, Scott Grinis, Joey Kidushim, and junior John Ross, the aquamen posted a 17-5 overall mark. Three of the spartans defeats came at the hands of top rated 3A teams who claimed the spartans were more than qualified to hold their own in the 3A division, upon reaching the semi-finals in C.I.F. The spartans lost a 13-12 heart-breaker to league rival Bell Gardens, a team that had lost twice previously in league to the spartans. The team was paced by Scott Grinis' school record 140 goals. Grinis, Ross, and Jeff Guy received first Team honors while Thompson, Kidushim and Jim Malouf received second team awards. As for next year, an excellent crop of talent will come up from the Frosh-Soph team that went undefeated in league and had a 17-1 overall record.

SPARTANS GO

Enjoying a fine season which culminated in traveling to the CIF playoffs for the first time in 7 years, by a coin flip, coach Bill Lukehart's varsity basketball team posted a fine 13-12 overall mark while finishing 2nd in the tough Rio Hondo league with a 7-3 record. Led by league co-most valuable player Greg Boss, the Spartans were never blown out of a league game. Wes Stroben maintained an excellent scoring average while teaming with Paul Gagliardi to crash the oppositions boards. Shooting from the outside, and making slick passes, guards Mike Keating and Chris Myers were also the nucleus of a pressing defense. If the bench was needed, seasoned veterans Bill Baston and Bruce Craven filled in, doing more than a commendable job. Next year, loads of talent from the J.V. team will couple with returning letterman Chris Myers, Rob Schecter and Bob Homick to undoubtedly continue the La Canada tradition league Championship contending teams.

OUR OPPONENTS WERE

This year's La Canada Varsity and junior varsity wrestling teams again were plagued by an old problem, lack of participants. Coach Belihoff was able to form a good team, with quite a few highlights. Anchoring the Spartan team this year were, Tim Trahms, Bill Grigg, Dave Tucker and Ed Genaghty who scored the majority of points for the team. Also having a good season were Eric Muehle, Eric Hestenes, Brad Hightower, Paul Day, Joe Hawkins, Kevin Sekiquhi, Scott Loomis, Terry Bortnick, Moher Alyhediam, Kent Marriott. With these and Brain Hauenshin, who placed second in the Rio Hondo League, Coach Belihoff will form the core of a tough team next year.

SPARTAN ROLLERBALL

Enjoying their full year of competition, the La Canada High School Varsity Soccer team, under the direction of Voytek Dolinski, traveled to the CIF playoffs. There they lost to eventual CIF champion, Mark Kippell. The Spartans were led by M.V.P. and co-captain David Latta. The dedication award was received by Chris Spears, and Tom Nun and Spears shared the other captain duties. The highlight of the season was undoubtedly newcomer Mark Thurber, the team's leading scorer.

Thurber, along with Nun, John Hicks, and Thad Pinkoski, will form the nucleus of a team that could very easily surprise a lot of league and non-league foes next year.

Coach Rick Mohneys J.V. team worked hard, yet were disappointed in several games. Freshman Frank Sandleman led the team in scoring and was the team M.V.P.

Under the helm of head coach Dick Werntz, the Varsity Baseball Team captured 1st place in the Rio Hondo league. The Spartans, expected to be a top notch contender in the CIF playoff, competed against extremely rough pre-league competition, posting a 4-3 mark and 3rd place in the Glendora Invitational Tournament. Paced by John Buchok and shortstop Paul Wyman and strong J.V. additions, the team boosted a tough defense and improved immensely at bat as the year progressed. The team can look forward to an equally productive next year with 5 returning varsity starters and the well-coached J.V. team of Gary Lievre and the Soph-Fresh team of Richard Mohny.

GONE WITH

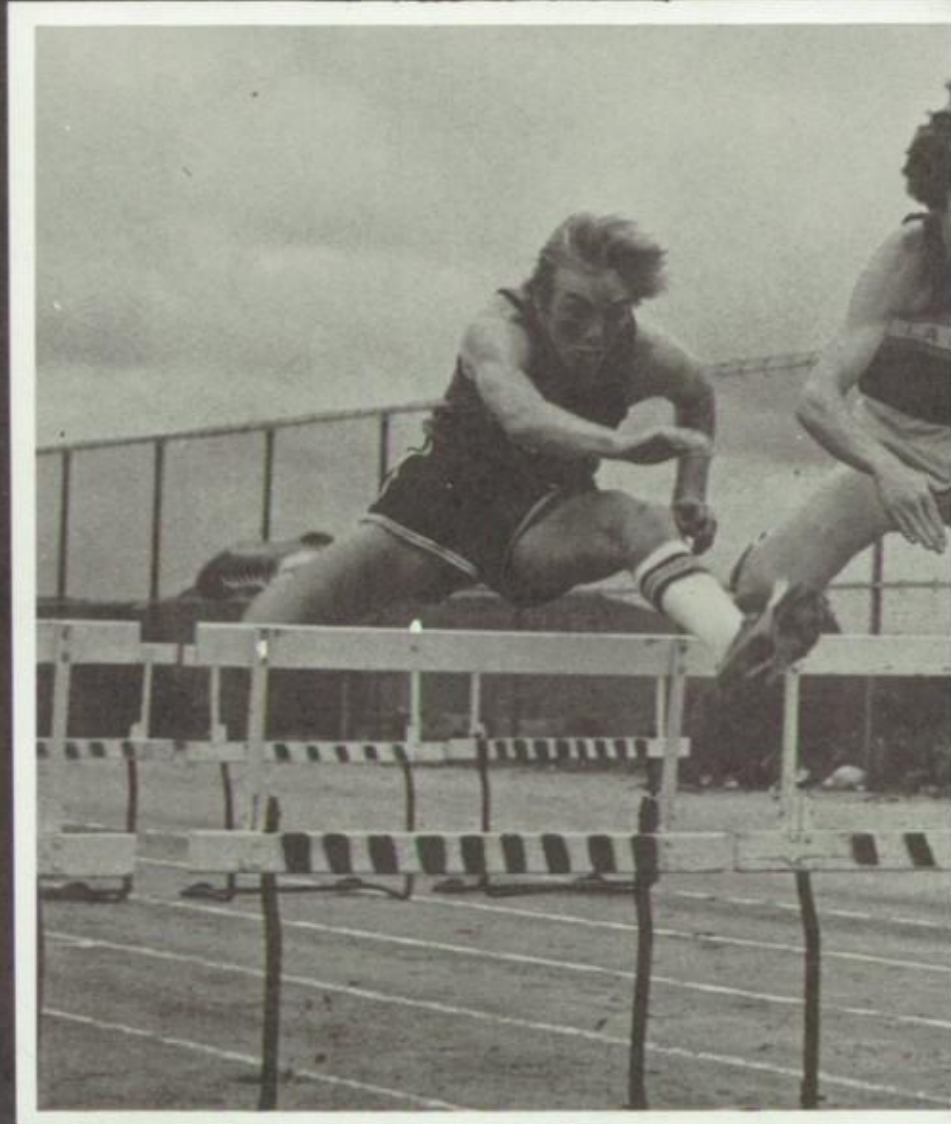

Keeping up with their tradition of extremely successful seasons, Pat Logan's well-trained Varsity Track Team once again got off on the right foot in 1979. Despite losing some truly outstanding individuals, the team looked sharp in blowing out their first three opponents and running their dual meet record to 66 wins in their last 69 outings. The team's outcome in the competitive Rio Hondo League rests heavily on the performances of multi-event competitors Chris Day, Ken Klingerman, and Mike Moore. The Spartans will also rely on specialists Chip Turner, Bob Hawkins, and Tom Day. Most of the names mentioned will be returning next year to give Pat Logan yet another shot at the league crown.

TO SERVE

With loads of experience and a new interesting coach called Roy, this year's LCHS Varsity tennis team contended for yet another league title. Led by number one seed Greg Boss and captain Dave Osbaldeston, the Spartans received stiff competition only from the always tough San Marino. Another enlightening factor is the fact that the team is comprised mainly of talented freshmen, sophomores, and juniors like Clark Jones, Glenn Robertson, Steve Boss, Jim Kambe and Eric Doan.

Coached by newcomer Bill Slaughter, the Spartans look even tougher this year, compiling a 6-2 pre-league record, losing both of those matches by one stroke. This team was extremely talented, led by the unusual talent of the Rielly brothers, Rick and Mike, and Chris Herrmann. Rick is ranked number two in Southern California with Mike, not far behind in the top ten. With the arrival of new member Mike Keating, the Spartans were even stronger than expected. The team was definitely the powerhouse in CIF and as usual, will remain the Dominating Factor in High School golf.

MERMAIDS

Expected, as usual, to perform well in league competition, this year's varsity swimming squad was basically made up of talented underclassmen. The Parral sisters Elaine and Jacky, along with Teresa Boomer and Cathy Smith, were the main forces behind the aqua ladies efforts. Excellent work was also put in by Pam Simmons, Heather Frazier, Kathy Nunan, and Bonnie Maxwell. The J.V. team also dusted their league competition. Gretchen Wildermuth, Beth Maxwell, Suzy Bush, Michelle Harper, and Sheila Bowman were the leaders of the largest squad ever compiled at LCHS. The girls and Coach Naeve, who put in extra time, should all be congratulated.

And, the closely knit team knew what it took to bring it all together. their fairy tale of being number one became a reality.

Ed,
Well guy, chalk up one more year of madness in your
book of life. Not to shabby, yes No? What can I say
except that our Jr. year was outrageous, and I wish
I was experiencing Poly Royal again. We are going to
have to do something to equal it this summer and
maybe play some soccer. Don't forget to keep active
with the over 40 club, there good for you. Have
wild times with everything from now on, & live
up to the standards we set this year.

Have a Nice Day,

ACADEMY AWARDS

Best Supporting Spartans

The Academy Awards: for the past 52 years the Academy of Motion Picture Arts and Sciences has annually awarded individuals within the film world for achievements in excellence. In celebration of that, of the 16th anniversary of La Canada High School, but mostly in honor of the Class of 79's 12th year of schooling, the senior academy members of the Omega Staff have decided to bestow upon several select schoolmates the recognition we feel is well deserved, if not demanded, and cannot be overlooked. We hope that the general public will not be displeased by the winners. Their appropriateness cannot be denied.

He wears it, as putters do. He's strong. Be nice to him. Kim Wallace wears price tags. Mike Watenbach wants it back. John Webb hangs, drips, and drugs. What?? Let's move on. Bill Webster falls off cliff. Mark Weinman is hit by an airplane while walking his dog. Suzy Weiss wished upon a star. Roger Wendt away. Ha, ha! Susan Westvig laughed at that joke. No prophecy, sorry. Stuart Whitehair has a lab. Any kind you want. Renee Widin has a notebook. Please sign it. Andy Williams has shoes, will travel. Always has. Mike Wojciak likes donuts. Jennifer Waddles. She is smart. We were retarded. Paul Wyman sells chest toupees. He home grows them. Dore Wolin is attacked by a graphic clown. He now visits his dead friends. Shalom! Michelle Zimmerman raises mongoloid pigs. She is also the last name. We have special tribute for her. It means a lot to us to have finished this. It's 5:00 a.m. understand? It may stink, but we really do love it. Yea, baby your last. Sorry. Bye. Get "Glazed." (Yum, Yum Donuts.)

Ed - When I'm writing this I hope that you will be reading this 10 years from now. The Question is how many Girls are you dating now at once or should I say how many Affairs

do you have now. Just remember when you are just doing it a little, there must be no blind

Snakes. I hope you become a good Jugular because I know you and your going to need to be good.

Off well since it's ten years from now I if you want to see me just come to the O.K. canal, but bring your own Harem. see you over the summer

Your friend. Chuck

you and Chris are two neat people that's why Dana and I named you

"THE GUYS"

and of course Dana and I happened

to be called **"THE GALS"**

"THE GALS"

Course when so neat. ed. it's so hard

to be so tall and beautiful, I have

to fight off those wild men when

in such a hyper mood right now, I guess it's because the end

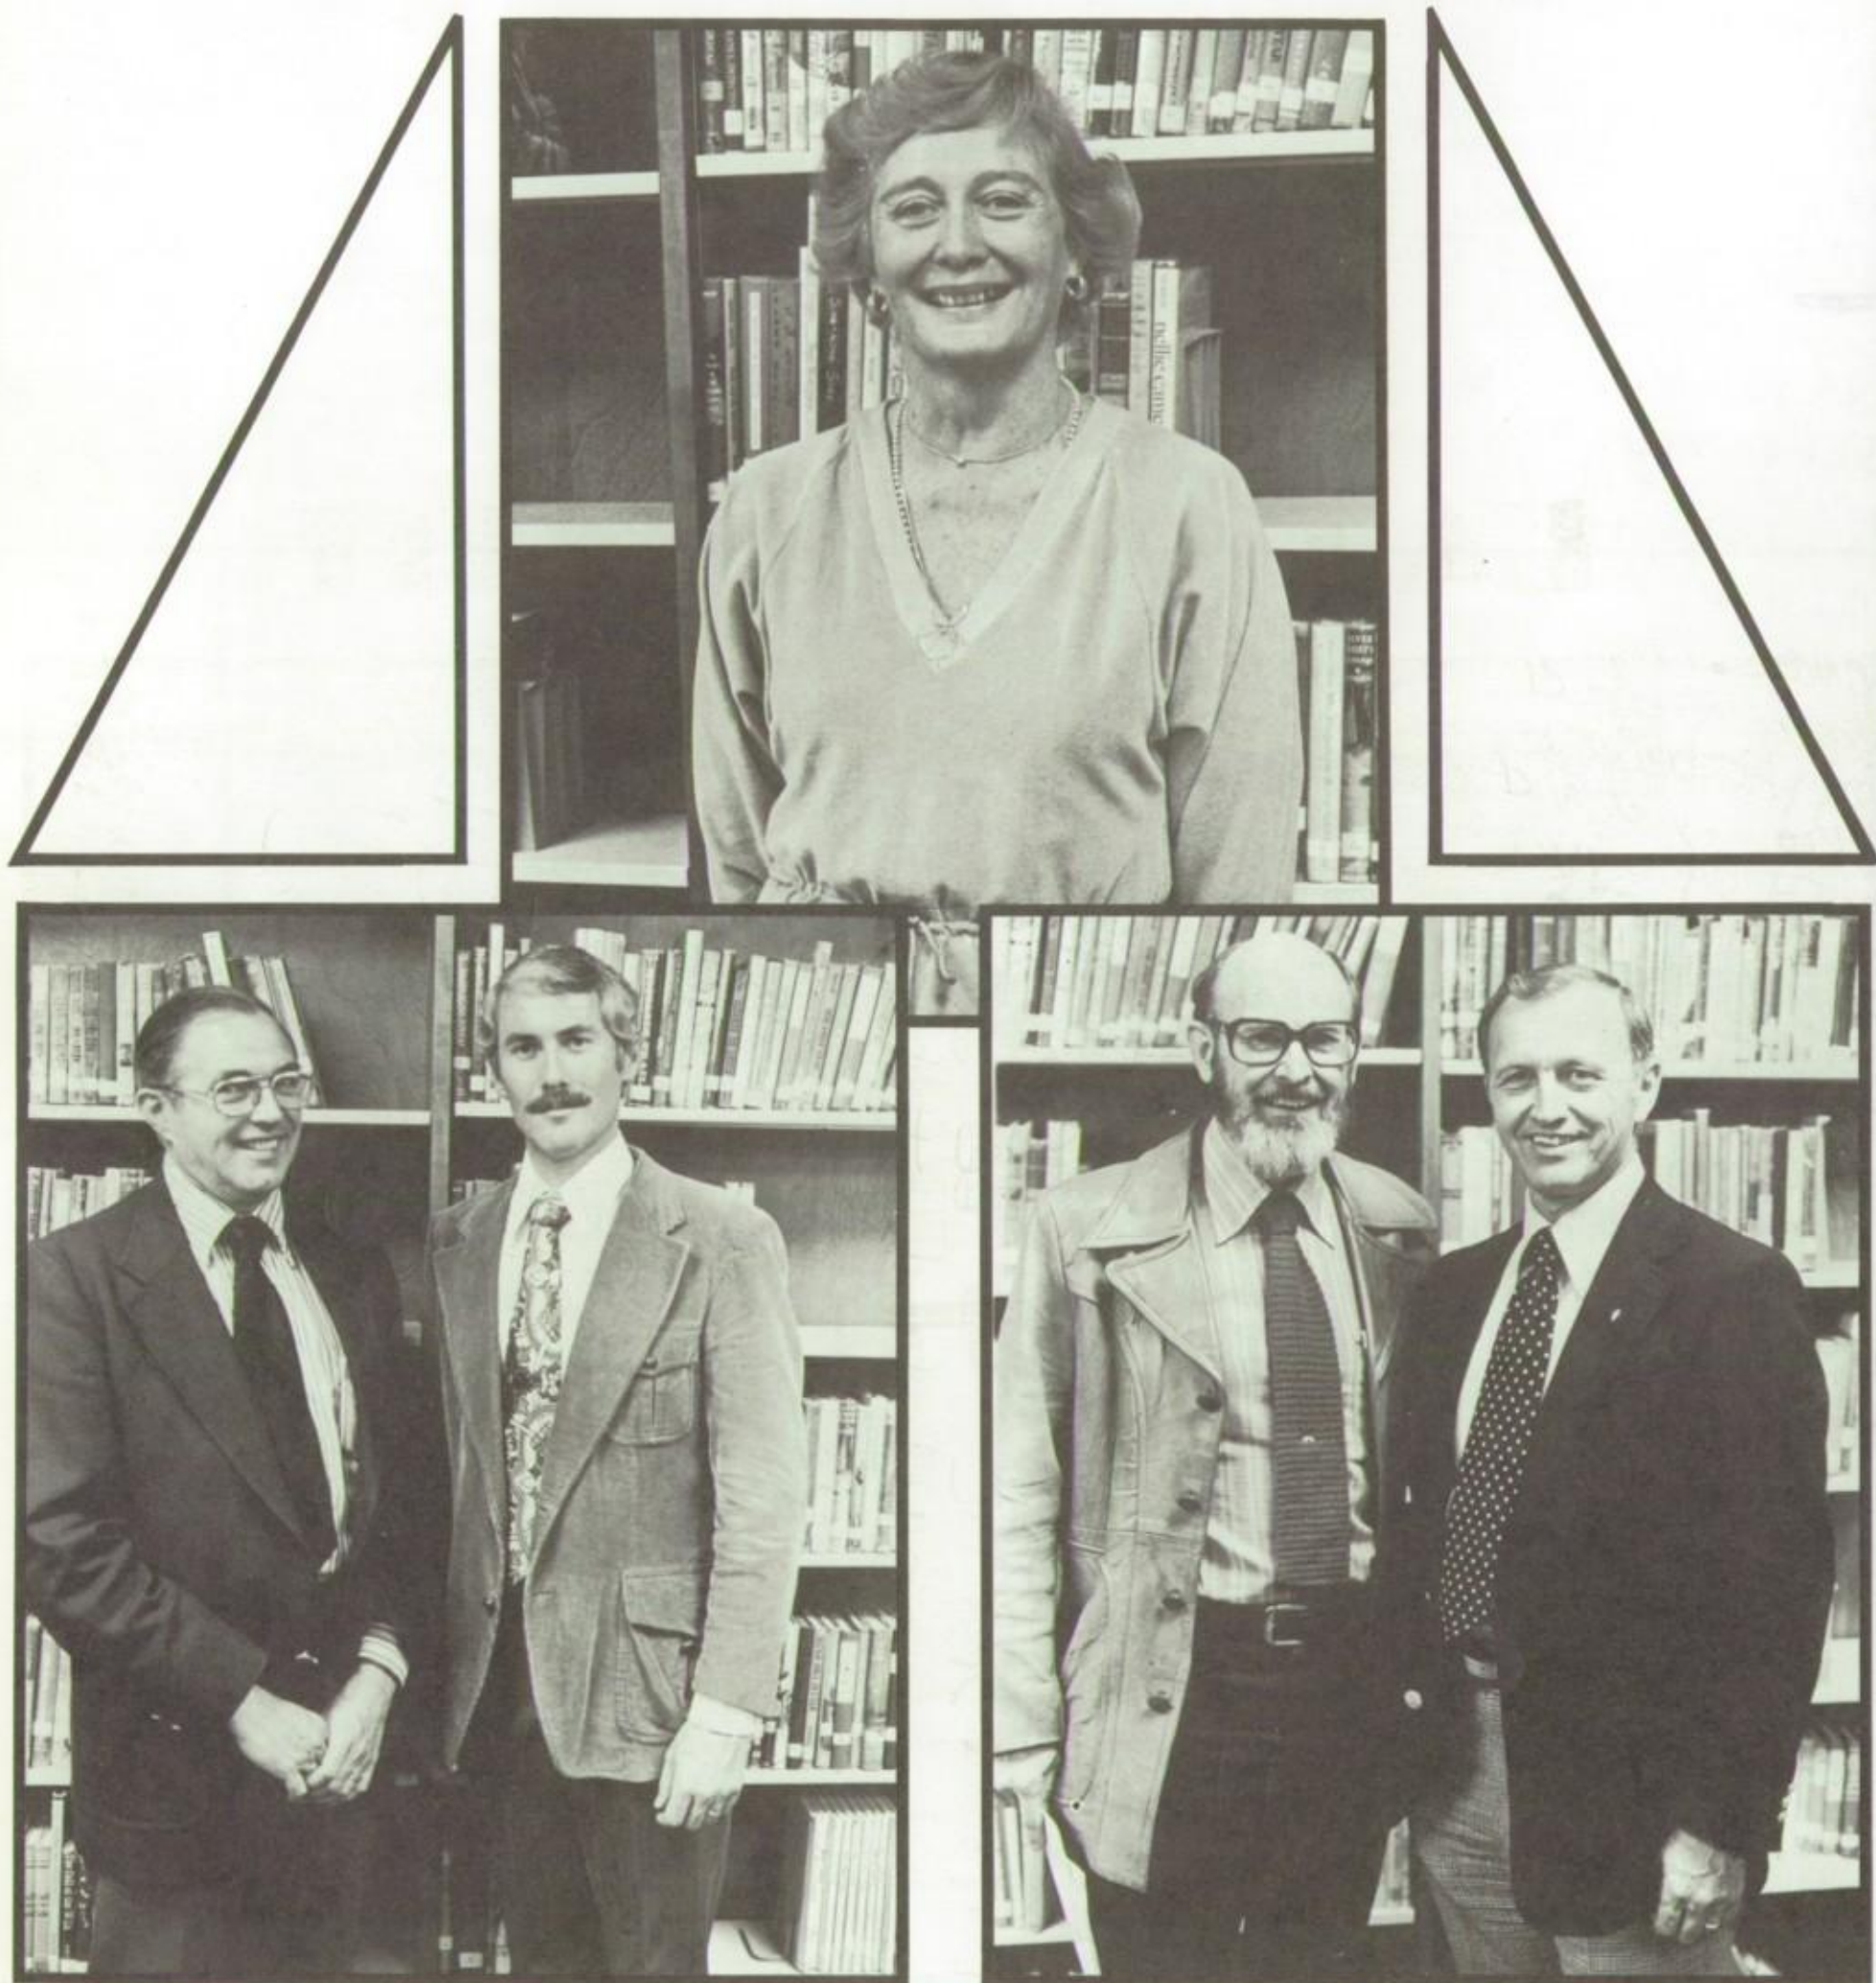

of school is near. I know I have many moods, but you next

year I'll only have one. I'll be the best of all.

my essay gets an "A" cause I had to do a lot of thinking.

One again, take care, Love, adrienne or "ade"

SENIOR SALUTE

Omega Dedication

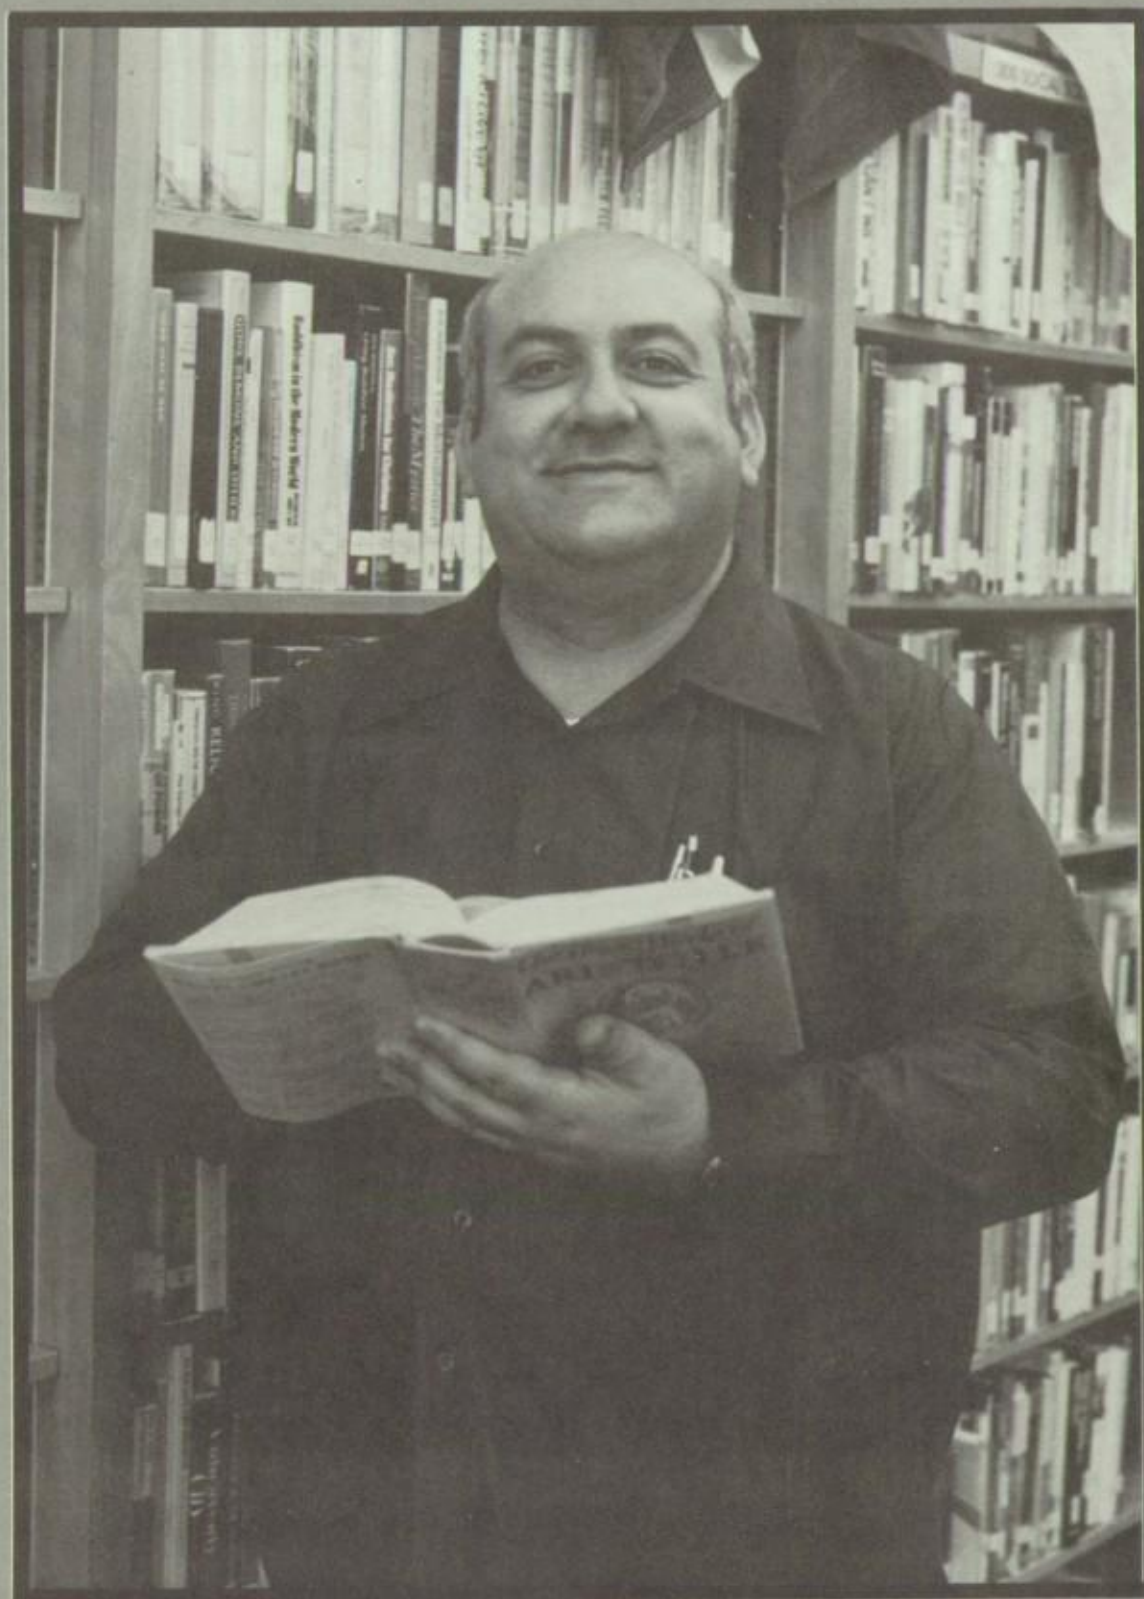

It takes a special kind of individual to have the ability to grasp the attention of 30 day-dreaming freshmen, not to mention the ability to grasp the attention of a high school student throughout their four years at LCHS, plus remain an integral part of her past and present student's lives.

This year's Omega Dedication is the sole possession of Miss Lou Vail, a unanimous choice. The word "dedication" seems highly fitting, as it undoubtedly is the manner in which Miss Vail has been able to touch her many in her unique way. Miss Vail, thank you.

Senior Salute

Perhaps it would be easier to sit back and list all one's self-accomplishments when serving as a class advisor, or to slack off in your fourth and final year after the Prom has long since died. However the advisor for the class of 1979, George A. Madatian, only looks toward the future for new tasks to tackle in order to gain the ultimate goal of any class to make money.

The miserly Madatian pulled us through many a crisis with his penny-pinching ways. But simply with a smile, a chuckle, and a heavy duty sigh, Mr. George A. Madatian has gained the admiration and gratitude of every single senior class member. And George, we're highly impressed.
